

NO. 4230 STIPENDS

4231. Stipends 2

4231. Stipends

- 1.1. Students admitted as presidential stipend recipients must score a GPA of 3.80 or above in the preceding academic term to be eligible for monthly stipends in a given term.
- 1.2. These rules do not apply to such students who are stipend recipients by virtue of their special legal status.
- 1.3. The medalist of International Olympiad of Informatics or International Mathematics Olympiad are considered as a stipend recipient in the amount equal to Presidential scholar.
- 1.4. A Presidential scholar or the international Olympiad medalist who have failed to meet the above requirements is eligible for consideration for continuation of stipend payments in the following term.
- 1.5. Students can receive stipend for 5 years (10 semesters) if they are enrolled to EAPP program or 4 years (8 semesters) if they are directly enrolled to a degree program.
- 1.6. Presidential scholarship receivers are also eligible to receive Pasha Bank debit cards without any additional charge. The cards are provided for the purpose of transfer of the stipend to students.
